This overview is not exhaustive and is provided by way of guidance only. No liability is accepted for reliance on the information provided in this document.

Qualifying as a Solicitor or Barrister in Hong Kong

Remarks:

For more information, please visit the website of the Hong Kong Conversion Examination Board (www.pcea.com.hk).

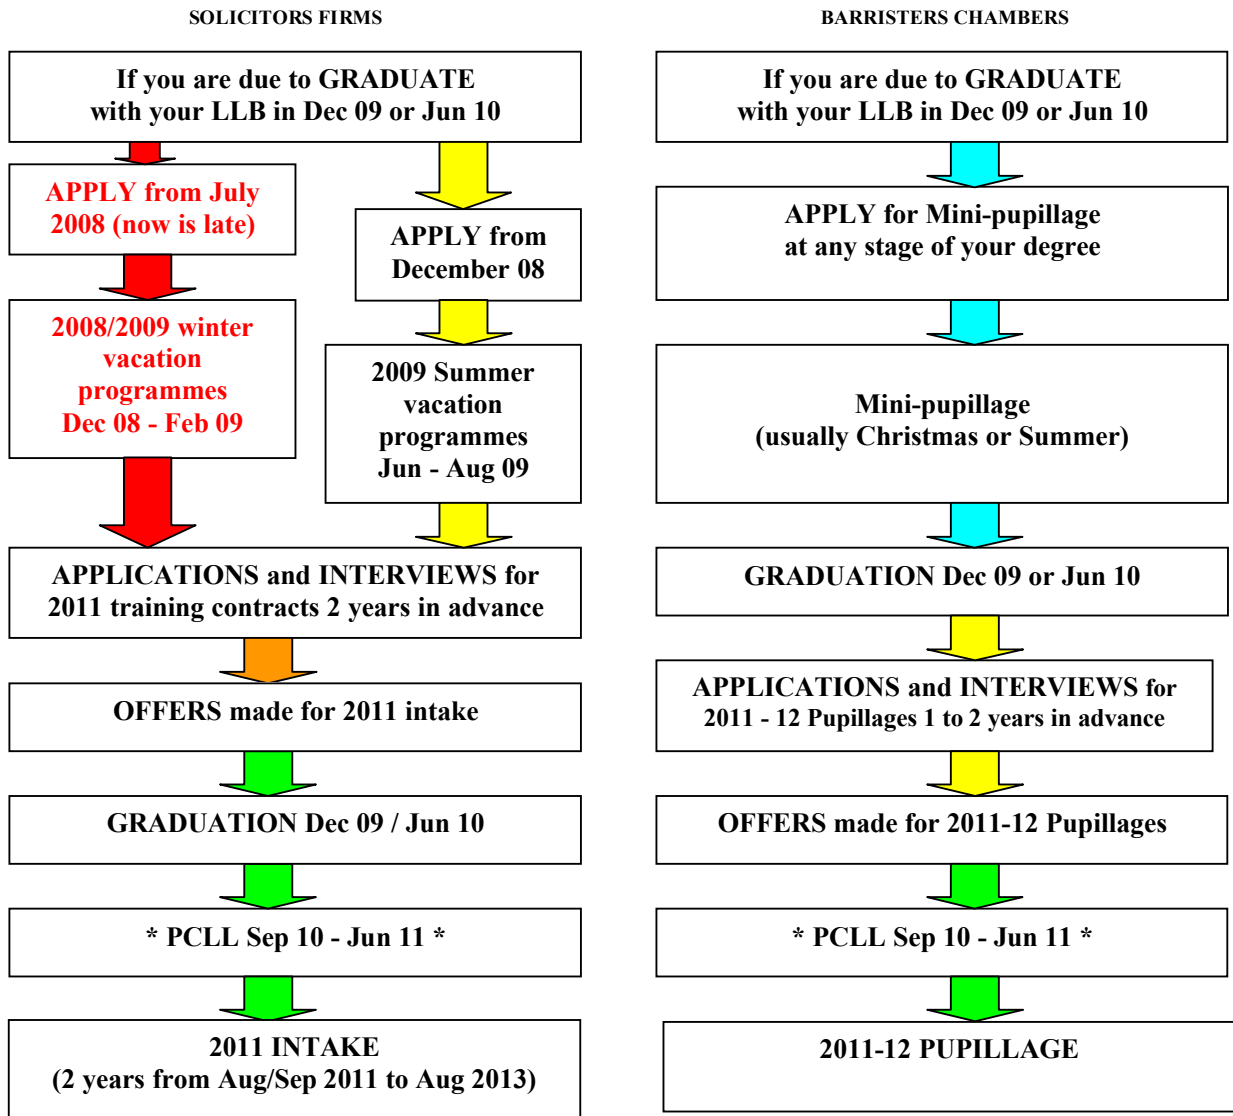

* Please contact the PCLL providers (City University of Hong Kong, The Chinese University of Hong Kong, and The University of Hong Kong) to determine if a specific course is sufficient for the purposes of admission to the PCLL programme

Candidates possessing Chinese language skills will clearly be at an advantage in securing work in Hong Kong

RECRUITMENT TIMETABLE FOR VACATION WORK AND TRAINING CONTRACTS / PUPILLAGES IN HONG KONG

Recruitment practices (for Vacation Programmes/Mini-pupillages and Training Contracts/Pupillages) vary from employer to employer. Generally applications should be made earlier rather than later: for vacation work, several months in advance; for Pupillage, about 1 to 2 years beforehand. Training Contracts with large law firms should be sought over 2 years in advance of your desired start date, while the Department of Justice normally conducts its legal trainee recruitment shortly after the commencement of the PCLL year.

This timetable is provided by way of guidance only. No liability is accepted for reliance on the information provided below. Most law firms have one intake of Trainee Solicitors each year (in Aug/Sep) and will interview all their vacation students (and others) for Training Contracts. Therefore when to apply for a vacation placement depends on when you will join as a Trainee Solicitor.

* Please visit the websites of: The Law Society of Hong Kong, City University of Hong Kong, The University of Hong Kong and The Chinese University of Hong Kong to ensure the new entry requirements for the PCLL courses can be satisfied (particularly for the overseas law students).
